RR FASTENERS

MFRS OF : ALL TYPES OF FASTENERS

COMPANY PROFILE

We are R.R. FASTENERS are a Sole Proprietorship firm and engaged in manufacturing a wide range of Nut, Bolts & Industrial Washers. We have gained a strong and significant position in this industry. When we started our business in the year 2017, we have developed a wide infra structural unit that is situated in Ludhiana-Punjab, (INDIA). We provide these fasteners across the nation as per the varied needs of the clients and in a timely manner.

We are a client-focused company that strives hard to fulfill each and every requirement of our clients. We also follow the principles of carrying out ethical business in order to gain the trust and faith of our clients and mark our own segment in the industry. Besides, our ability to customize the products proficiently as per the clients' specifications has helped us earn a commendable position in the industry.

We leverage the synergies of a professional team with a strong service intent, open communication channels and a customer-oriented approach to processes in order to provide customized solutions at the earliest. Making customer satisfaction our utmost priority and an attitude to resolve our strongest tool only helps us further strengthen our associations and establish our reliability time and again.
